## **Conference Theme: National Education Policy 2020: A Transformative Educational Policy for Higher Education**

The global education development agenda reflected in the Goal (SDG4) of the 2030 Agenda for Sustainable Development, adopted by India in 2015 – seeks to “ensure inclusive and equitable quality education and promote lifelong learning opportunities for all “by 2030”. Such a lofty goal will require the entire education system to be restructured to support and foster learning so that all of the critical targets and goals (SDGs) of the 2030 Agenda for Sustainable Development can be achieved.

National Education Policy envisions an education system rooted in Indian ethos that contributes directly to transforming India that is Bharat, sustainably into an equitable and vibrant knowledge society, by providing high-quality education to all, thereby making India a global knowledge superpower. The policy envisages that the curriculum and pedagogy of our institutions must develop a deep sense of respect towards the Fundamental Duties and Constitutional values amongst the students, and a conscious awareness of one’s roles and responsibilities in a changing world. The vision of the Policy is to instill among the learners a deep-rooted pride in being Indian, not only in thought, but also in spirit, intellect, and deeds, as well as to develop knowledge, skills, values and dispositions that support responsible commitment to human rights, sustainable development and living, and global well-being thereby reflecting a truly global citizen.

In this context, all universities and educational institutions are trying their level best to contribute towards the effective implementation of the NEP 2020. With this backdrop, we at Ness Wadia College of Commerce, are committed to encourage continuous learning and fostering intellectual thought and dialogue. The Late Prin. Dr. B. S. Bhanage Memorial National Level Seminar this year is to be held on the theme of **“National Education Policy 2020: A Transformative Educational Policy for Higher Education”**. We look forward to welcome participants at this event which is to be held on **Wednesday, 29th March, 2023** at the Neville Wadia Seminar Hall. In this seminar we are providing a platform for teachers, researchers, professionals, and industry leaders to discuss, deliberate, and present the status of NEP 2020. In this seminar, we would like the participants to cover numerous pertinent topics that cover the objectives of NEP-2020.
