Report on the 51st Foundation Day Lecture

Tuesday, 16th July, 2019

4.00 pm

On 16th July, 2019, the College celebrated its 51st Foundation Day. This memorable occasion marked the culmination of its Golden Jubilee Celebrations which began last year. With this endeavour, the College once again reinforced its commitment to the recognition of scholarly contributions and dissemination of knowledge among students and teachers. In keeping with tradition, the event comprised of a lecture by the Scholar of the Year Awardee and conferment of the award thereafter.

The Foundation Day lecture, a significant event in the academic calendar of the college was held at the Neville Wadia Hall on 16th July, 2019. Each year, the college confers the prestigious "Scholar of the Year Award" on a renowned scholar in recognition of his or her scholarly contribution and quest for academic excellence. The award for the year 2019-20 was conferred on Padma Shri. Yezdi Hirji Malegam, a Chartered Accountant by training, former Chairman of National Advisory Committee on Accounting Standards. Mr. Y.H.Malegam has the rare honour of being the longest-serving member of the Reserve Bank of India (RBI) board and also the oldest. He was the recipient of the Padma Shri Award (the fourth highest civilian award in the Republic of India) in 2012.

The event began with an opening address by Professor Girija Shankar, Principal who gave the audience an insight in to the history of the college together with an encapsulation of some milestones along the way. This was followed by an introduction of Mr. Malegam by Dr. Prakash Chaudhari, Vice-Principal and Head, Department of Business Laws and his felicitation by Professor Girija Shankar, who presented him with a bouquet of flowers and a book and memento.

The topic for the Foundation Day Lecture by Mr. Malegam was "Non Banking Financial Companies (NBFC's) The Way Ahead". Mr. Malegam began the lecture on a personal note saying that he began his article ship at S. B. Billimoria and Company, who have been working on audits for the Wadia Group since the early 1900's, an association which continues till date. Considering the current turmoil in the non banking financial sector, he said that it would be appropriate to examine 3 aspects- the role of NBFC's in the

financial sector, the inherent and systemic risks it can pose and what the future holds.

As far as the role of NBFCs goes, they began by catering to a few sectors but very soon their growth spurted and it was fueled by low transaction costs and innovative products. Owing to this they were able to reach out to various segments, complement and compete with the banking sector and promote fields such as transportation and infrastructure. NBFCs stepped in where the public sector withdrew due to bad loans. Today they have grown not only in size (1/8th of the banking sector) but in terms of contribution to society and operate in diverse markets. Today there are 9763 NBFCs of which 88 are depository agencies. From 2011-12 to 2018-19, their share in the total credit grew at 6.3%, far more than the growth experienced by the banking sector. Bandhan and IDFC migrated into universal banking.

Major risks inherent to NBFCs are:

1. Like banks they resort to wholesale lending.
2. Niche area operations results in risk of collapse if the sector in which they invest collapses.
3. NBFCs are shadow banks and do not have the option of approaching RBI as the lender of the last resort.
4. Regulatory cost of NBFCs is higher than that of banks.

Other risks include risk of size of borrowing, huge concentration of risks to lenders and risk to capital market.

Finally Mr. Malegam drew some broad conclusions regarding the future of NBFCs which were liquidity stress in NBFCs, budget proposals, limited guarantee to banks and increase in regulatory power of RBI over NBFCs.

Mr. Malegam's lecture was followed by an interactive question-answer session. While answering these questions, he made some pertinent points which are summarized as a large number of NBFCs (the weaker ones) will get weeded out. However they provide back up to banks, reach out to weaker sections and areas which do not have access to bank credit, hence their continued health is important.

Mr. Malegam's enlightening lecture and an interactive question-answer session was followed by the vote of thanks which was presented by Dr. Deepa Dani, Assistant Professor, Ness Wadia College of Commerce.

The Foundation Day Lecture was followed by the conferment of the Scholar of the Year Award at Sir Dorab Tata Assembly Hall.
