Greetings from the Rotary Club of Poona Downtown!

The Rotary Club of Poona Downtown (RCPD) has been conducting the Rotary Youth Leadership Awards Programme for the past several years now. Due to the successful and long lasting impact it creates, this annual programme is highly acclaimed by the participating institutes and students. The objective of a RYLA programme is to provide the youth with a forum where they may develop their leadership skills and increase their network of associations and friends.

This year, the Club has decided to focus on the critical subject of protection of the environment. There is constant talk of the destruction being caused to the eco-system and the burning need to educate the youth so that they may find ways to counter balance the damaging effects and conserve the environment. We believe that an important step in this mission is to bring the youth in contact with those who have successfully found ways to do this.

Towards this end we have organized an E RYLA, to be held on Sunday, 26th September from 4:00 to 6:00 p.m. The event will be conducted in the form of a webinar on Zoom. Our speakers for this event include:

1. Mr. Binesh Desai (India's Recycle Man who has converted over 100 different types of waste into over 193 products)
2. Mr. Nandan Bhatt (Founder & Director of EcoKaari, an organization that upcycles single use waste plastic using the charkha and handloom)
3. Ms. Nandini Upadhayay (an Environmental, Social and Governance professional)

Since the event will be conducted virtually, all the registrations will also take place online. The link for the same is given at the end of this mail. We urge you to encourage your students and staff to participate in this forum. The attached e- flier can be forwarded to all students. Any personal contact information of the participants will be used solely for the purpose of registration and nothing further. Certificates of Participation will subsequently be emailed to all those who have successfully attended the programme.

Do feel free to contact me in case of any queries. We look forward to your support in making this event a success.

Thanking you,

Yours sincerely,

Shereen Masters.
