2. Workshop on “Students and Law”

Workshop on “Students and Law”

Day and Date: Friday, 25th January, 2019

As part of the Golden Jubilee Celebrations of the College, the Department of Business Laws organized a One Day Workshop on “**Students and Law**” on **Friday, 25th January, 2019**. The workshop was sponsored by the Board of Students Development, Savitribai Phule Pune University, as part of an initiative to equip students with knowledge about practical and contemporary issues. The idea behind this particular workshop was to help students of our college as well as those of neighbouring colleges to become aware of significant legal issues and laws impacting and concerning youth.

The workshop had a good turnout with 113 students attending it, including students from other colleges viz, Abeda Inamdar Senior College, St. Mira’s College for Girls and Indira College of Commerce. The organizing team for this workshop comprised Dr. Mariam Noronha, Ms. Jasmin Shikalgar, Mr. Balaji Birajdar, Mr. Suryakant Phalle, Mr Shivakant Pupalwad and Ms Varsha Kshirsagar, on behalf of the Department of Business Laws.

The event began with a small introduction of the conceptualization and motivation behind it by Dr. Mariam Noronha. Dr. Prakash Chaudhary, Vice-Principal and Head, Department of Business Laws spoke about the importance of the conduct of such events as they are a good learning opportunity. He exhorted students to take advantage of such events and learn from them.

Prof. Chaudhary felicitating Adv. Atul Joshi

Thereafter, Dr. Mariam Noronha briefly apprised the audience about the content of the sessions of this workshop. The first session on “Youth and Criminal Law” started with an introduction of **Advocate Atul Joshi** by Dr. Mariam Noronha, in-charge of session 1. Dr. Prakash Chaudhary, Vice-Principal and Head, Department of Business Laws welcomed him with a memento and a book as a token of appreciation.

Advocate Atul Joshi then went on to talk about criminal law relating to sexual harassment, rape, mob violence, murder, homicide, drinking and driving. He explained the definitions of some terms related to the aforesaid crimes and said that ignorance of law on the part of youth often is the cause for their landing in trouble. He also said that knowledge of law helps us to be aware of what troubles could come our way thereby enabling us to keep away from criminalities. He cited several cases, High Court and Supreme Court judgments to explain how criminal law views and considers various crimes. He said that being a bystander with no personal involvement other than merely supporting a friend in committing a criminal act could destroy the future of youth. Hence awareness is important. The session ended with a question-answer session between the audience and the speaker, followed by a vote of thanks by Dr. Mariam Noronha.

After the first session, Professor Girija Shankar, Principal, Ness Wadia College of Commerce made a few remarks about the college and the conduct of various Golden Jubilee activities in general and this workshop in particular. Thereafter Ms. Jasmin Shikalgar, teacher in-charge of session 2 introduced the speaker for the session on “Cyber Crime”, **Commander Sunil Srivastava, Director of Cyber Crime Helpline LLP** as an ethical hacker, forensic analyst on cyber crime.

Commander Sunil Srivastava giving his address

His lecture aimed at generating awareness about cyber crime, how to identify it and deal with it. His talk was substantially full of demonstrations, safety tips and instructions to the students regarding the use of social media sites and the internet. He explained concepts of email spoofing, phishing, IP/MAC ADD, 65B of Indian Evidence Act, Header Analysis, Hash Value, etc. in an interactive manner. He was able to draw students out and encouraged them to participate in the demonstrations. He ended his talk with simple but important tips for girl students on the steps to be taken in case they are victims or targets of harassment on social media and in general for steps to be taken in case we lose our mobile phones. The session was well received by the students.

Session 2 was followed by lunch for participants at the Boys Hostel Mess on campus. Post lunch sessions were held at the BBA Seminar hall.

Session 3 of the workshop on “Traffic Rules and Regulations” was conducted by Sub Inspector Sucheta Khokale, Koregaon Park, Traffic Division aided by **Mr. Dhairyashil Vandekar**, aviation expert and analyst. Her talk mainly comprised of information relating safe driving practices, helmet rule, necessity of wearing a seat belt, following traffic rules relating to right of way and overtaking. She explained about penalties and imposition of fines for various violations. Her talk was full of a good number of examples of violations by students such as riding triple and quadruple seat, avoiding wearing of helmets just to look good or keep makeup intact and supplemented by audio-visual aids like short films on traffic rules and awareness. This was followed by a question answer session. Mr Balaji Birajdar, teacher in-charge of session 3 introduced the speaker and gave the vote of thanks.

After this session the audience took the Voters Pledge on the occasion of National Voters Day.

This was followed by Session 4 on “Legal Career-Prospects and Challenges” by Advocate Sanjay Gaikwad who explained the important aspects of taking up a legal career. Through his presentation he helped participants to understand various career opportunities for legal professionals in different sectors. He elaborated various legal issues with the help of some actual cases as examples. Question-answers followed and there was an impromptu panel discussion introduced by Dr. Prakash Chaudhary also shared his views and answered the some questions. The introduction of speaker and vote of thanks was given by Ms Varsha Kshirsagar, teacher in-charge of session 4. Some students shared their experiences and feedback following which Dr. Mariam Noronha delivered the vote of thanks for the workshop. Number of students attended: 113 Number of teachers attended: 10

4. Workshop on Strategic Business Development (9th Feb, 2019)

The Entrepreneurship Development Cell and Arts Association of Ness Wadia College of Commerce organized an Intercollegiate Workshop on **Strategic Business Development**. This one day workshop was held on Saturday, 9th February, 2019 and was sponsored by the Board of Students Development, SPPU.

The workshop began with a welcome address and opening remarks by Dr. Mariam Noronha, Assistant Professor and Coordinator of the event. The workshop had 4 informative sessions and began right away with the introduction of **Ms. Neeta Kamath** by Ms. Pooja Kodre. Ms Kamat then began her lecture in which she shared her experience in setting up a food processing unit in Hadapsar Industrial Estate. She gave the audience an overview of the process of setting up a business from ‘Idea to Implementation’. She stated that we are always surrounded by ideas; every day nearly sixty to seventy thousand ideas are generated in our mind. Ideas by themselves are not enough; we need to believe in ourselves and leverage our strengths, hard work is required to transform the idea into reality. From her own experience she added that an entrepreneur faces a lot of obstacles while getting the firm registered and for getting certification done. She suggested to the students that never ever get away with bribing; try to be patient and it will pay you back. She further narrated the struggles she and her husband faced when they were in the initial phase of the business.

Felicitating Ms. Neeta Kamath by Prof. Rathod

Ms. Kamath went on to list different ways which would help students in getting the right business idea; these included market research, creating/identifying one’s USP (Unique Selling Proposition), taking in diverse views of customers etc. She went on to shed some light on ‘Planning’. Mrs. Neeta spent months in frustration during her initial entrepreneurial days when nothing went according to plan. She suggested to the young audience that one must never compromise on planning and must have a long term vision.

She summed up her talk in three points; one must have strong capital base before starting a business, workout legalities even if your business partner is your relative/friend and to get all certification completed with backups before commencing the business.

The next session of the workshop was on Creative Thinking Exercises which was conducted by Dr. Mariam Noronha. The session began with a Group Sketching Activity wherein the faculty explained the activity and instructed the students to form groups and each student must come up with 8 ideas/solutions to everyday problems they face within 8 minutes and then the group should narrow those ideas down to a single idea and present it to the class. Students came up with several innovative ideas such as a mobile app to turn off gas knob remotely, G.P.S tags for cell phones, wallets etc to name a few.

Thereafter, Dr. Noronha discussed some innovative ways to generate ideas and to think in the right direction. The first technique she mentioned was 'Word Banking'; a simple exercise where one must list different keywords associated to a business model. Another technique was 'Story Boarding' where one must create a story to propagate one's business ideas. The last technique is 'Forced Connections' where one thinks of adding other features into a product which no one thought about; for example - Apple watch. She concluded the session by listing three ways for getting ones brain to think; those are Observation, Reading and Listening to others.

The third session of the workshop was a talk by Chef Samiya Ahmed, Founder Sweet Spot desserts and bakery, an alumnus of Ness Wadia College of Commerce. Samiya is a BBA graduate from Ness Wadia College of Commerce and holds an M.B.A. Degree in H.R. She used to work for a manufacturing company but was unemployed when it shut down. She has always loved baking since her childhood and so she finally decided on switching her career to Baking, she took up a baking course and learned different baking and cake preparation techniques and in the year 2014 launched her bakery 'Sweet Spot', running it from her home kitchen for 2 years before setting up a commercial kitchen.

Samiya shared her story of running a bakery on her own, she said that the initial years of launching her business were crucial ones, she tried my best to reach out to the people and market my business, with the years passing by she has managed to upgrade the quality and visuals of the cakes. Samiya said that in running a business the most important thing is to be consistent in your business, she recalls times when she got huge orders for cakes; she had to continuously work for 24 hours straight. Samiya said that it used to break her, but after completing the order she used to feel satisfied and content with what she was doing; there were no regrets.

Samiya markets her business through social media platforms such as Facebook and Instagram, she said that social media is a very useful platform if you make the correct use of it. She is of the view that social media can either make you or break you. She suggested

to the audience that one must go out and talk to people to market their business and get suggestions, she also suggested to the young audience that never be arrogant once you achieve success. With this Miss Samiya concluded her speech.

The last session of the workshop was conducted by CA Vaibhav Jain; a Chartered Accountant, business and life coach. He conducted an interactive session whereby he enlightened students on how to pitch business ideas. Vaibhav said that businesses need capital to work; capital can be taken procured from banks or investors. Vaibhav innovatively guided the students with the help of a series of role plays where he was the entrepreneur trying to convince investors to invest in his business and searching for a co-founder for the company. He shared the struggles he faced for raising the capital for a company named 'Happy meals' and eventually was sued by McDonald's.

Vaibhav explained to the students about different ways to pitch one's ideas to the investors namely elevator pitch, short pitch and long pitch; he also explained ways to get feedback from customers and to increase sales. Vaibhav said that when a person starts his own business he needs to convince each and every person that his idea is viable, from investors to customers and even to his employees an entrepreneur needs to convince everyone. CA Vaibhav Jain creatively taught the young minds on how to raise capital for a startup.

The workshop concluded with feedback from participants and a Vote of Thanks by Dr. Mariam Noronha.

8. Nirbhaya Kanya Abhiyan 8th and 9th March 2019

The Ness Wadia College of Commerce, Pune, organized the workshop on Nirbhaya Kanya Abhiyan on March 8th, and 9th, 2019. Women's Day was aptly chosen to conduct the workshop. Three sessions and five Speakers presided over the sessions during the workshop. 70 girls from college participated enthusiastically during the workshop which discussed matters on self defense, legal aspects of sexual harassment against girls and personality development.

On 8th March two sessions of three hours durations each were conducted.

During the first session Ms. Sakshi Vaingankar and Dr. Prakash Chaudhary discussed various legal aspects of Laws on Sexual Harassment and Women.

Second session was dedicated for Self Defense training of girls. The resource person for this session was Mr. Prasad Gharpure and his team.

On 9th March one session of three hours duration was conducted.

The third session was jointly conducted by Ms. Vishakha Bhalerao on Changing Horizons of Women Education and Women Empowerment: A Reality and by Mr. Jamshed Darasha who spoke on Professional Etiquettes for better work opportunities for women.

The Workshop on Nirbhaya Kanya Abhiyan was successfully conducted by the Ness Wadia College of Commerce in association with the Savitibai Phule Pune University.
