Hon'ble Prof. / Dr. / Mr./Ms.

Wadia College of Commerce
Pune

Subject: An Invitation to participate & depute a delegation of selected teachers (2) & students (3) in the historic **WORLD PARLIAMENT OF SCIENCE, RELIGION AND PHILOSOPHY** as A DELEGATE during the period 2nd to 5th October 2018 at MIT ADT University campus, Rajbaug, Pune, India

Hon'ble Sir/Madam,

It fills our heart with pride and pleasure to extend our humble invitation to you to be present as A SPECIAL DELEGATE for **WORLD PARLIAMENT OF SCIENCE, RELIGION AND PHILOSOPHY** during the period 2nd to 5th October 2018 at MIT ADTU Complex, Rajbaug, Pune, India.

We are glad to inform you that since its inception, MAEER'S MIT WORLD PEACE UNIVERSITY (www.mitwpu.edu.in), Pune, India is engaged in promoting the noble cause of establishing a **CULTURE OF PEACE IN THE WORLD THROUGH VALUE BASED UNIVERSAL EDUCATION SYSTEM** with an appropriate understanding of the **ROLE OF SCIENTIFIC AND SPIRITUAL COMPONENT OF LIFE TO DEVELOP A HOLISTIC PEACE-LOVING GLOBAL SOCIETY**.

Keeping this ideal in mind, we are organizing a **WORLD PARLIAMENT OF SCIENCE, RELIGION AND PHILOSOPHY** on the very historic and auspicious occasion of the **PUBLIC DEDICATION OF CEREMONY OF PHILOSOPHER SAINT SHRI DNYANESHWARA WORLD PEACE PRAYER HALL AND WORLD PEACE LIBRARY**, a magnificent architectural marvel having the world's largest dome, which blends Science, Religion and Philosophy for the well-being of mankind.

Your Honor, We are glad to put it on record that MIT WORLD PEACE UNIVERSITY, PUNE, INDIA, firmly believes in the saying of the 13th Century **INDIAN PHILOSOPHER SAINT SHRI DNYANESHWARA** that, "the entire universe is a manifestation of pure consciousness." **WORLD PEACE UNIVERSITY** further identifies itself with the assertion made by the visionary scientist of 20th Century **DR. ALBERT EINSTEIN** that, "I believe in God, who reveals himself in the orderly harmony of the universe and I further believe that intelligence is manifested throughout Mother Nature", which amply clarifies the very essence and philosophy behind Science, Religion / Spirituality and Philosophy.

This most revealing and beautiful monument is named after one of the greatest philosopher saints of the world, **Sain Shree Dnyaneshwara, AN EMBODIMENT OF KNOWLEDGE DIVINE & PEACE**, who in a short life span of only 29 years, defined the essence of harmonizing science with spirituality for world peace.

We humbly invite at least five representatives (Two Professors and Three Students from the field of Science & Technology, from Social Sciences / Philosophy / Arts or from Religion and Psychology) from your prestigious Institute.

The concept note and sub-themes are attached for your kind attention. The draft agenda will be sent to you at a later stage.

Dr. R. A. Mashelkar, FRS
World Famous Scientist &

Although modern science is just 500 years old, the progress it has made in 10 years outpaces all that has been done in remaining years. It is not the rate of change but rate of acceleration of change that is spectacular. The progress in quality of life due to progress in science and technology is remarkable. Take health for example. Moving from curative to predictive to preventive and regenerative medicine means the longevity has increased. But quality of life does not just depend on the enhanced quality of physical health that modern medicine gives us. It depends on health of the mind. If there is no peace, if the fear of living in a VUCA world, meaning volatile, uncertain, complex and ambiguous world, keeps us on the edge all the time, then what quality of life are we talking about?

On this backdrop, holding this World Parliament of Science, Religion & Philosophy is a unique event in our history. Incredible assembly of some of the world's greatest thought leaders - be they academicians, scientists, philosophers, theologians, religion, men of spirituality - is the special highlight of this unique event. This global meeting of minds and hearts will lead to the roadmap for creating holistic peace loving harmonious global society, which is the dire need of the hour. It will show us the path towards value based universal education, which will provide the foundation for creating such a global society, which is also the need of the hour.

The Parliament is going to be an exhilarating and historical moment - setting the agenda for a better world for some privileged few, but seven billion people of the world.

You are fully aware that the entire world is passing through a tense and chaotic stage, even worse than what was experienced during the two world wars.

The world is witnessing mind-boggling scientific and industrial developments like artificial intelligence, internet, IT, digital technology, robotics, journey to the outer space and what not on the one hand, and on the other, unfortunately, there is total chaos, confusion, suspicion, terrorism, bloodshed, violence and massacre in the name of caste, creed, race, religion and trifle issues like boundaries of nations.

It is again because of the erosion of the time-tested ethical and moral human value system, we have forgotten our ethos, culture and traditions. The human spirit and approach is missing. The most unfortunate part of it is that this is taking place with a highly developed education system carefully devised by the great thinkers, philosophers, academicians, scholars and scientists.

Friends, with this background, it is high time that the learned Scholars, Thinkers, Academicians, Philosophers, Scientists and Men of Religion / Spirituality should come together to evolve a **VALUE BASED UNIVERSAL EDUCATION SYSTEM** with an appropriate component of Science to establish and develop a **HOLISTIC PEACE-LOVING HARMONIOUS GLOBAL CIVILIZATION**.

a better world

have to usher in an era of peace, love and harmony for a long time to come, then we have to tackle the problem right from the root. This involves changing the mindset of an individual. This needs to be done right from the childhood at home and school.

Nation has its own history, geography, culture and traditions; but the time-tested human values are the same for all.

Our Learned Friends from across the world, it is now incumbent upon you to come forward and utilize all your energy, intellect, intelligence, knowledge and wisdom, in formulating a UNIVERSAL EDUCATION SYSTEM which is based on time-tested Human Values and which will transcend all the boundaries of caste, creed, religion, gender and nationality and will only help to promote the noble cause of achieving the wellbeing of entire humanity.

FROM THE CHAIRMAN'S DESK

Progress of humanity as a whole is intimately linked with the progress of human thoughts, belief systems and world views. During the recorded history of the last 100 years or so, many civilizations, religions and world views emerged and shaped world as we live in today. With the passage of time, we witnessed the arrival of many messengers of divinity, seekers of truth and creators of future. On one side, we see the history of the world as a chronicle of conflicts, battles and wars including world wars, and on the other side as flights of human search for truth, non-violence, love and peace. It has been a long long journey ever since the thinking man started walking on planet Earth. It is now time we take cognizance of our progress and get prepared for facing the long journey with potential possibilities of progress and perils that lie ahead.

Dr. Vijay P. Bhutkar
Chairman, Organizing Committee
World famous Computer Scientist
Chancellor, Nalanda University

Take cognizance of science, religion and philosophy today in the 21st century, we are organizing a World Parliament of Science, Religion and Philosophy in the city of Varanasi, which is known as the educational and cultural capital of India, which is a home to a wide spectrum of schools and universities, spiritual and religious centres, and social and cultural societies.

Offering you an illuminating experience during the World Parliament that is taking place in World Peace Centre of MIT from October 2 to October 5, 2018, in the city of Varanasi.

II. Students Centric Innovative Best Practices at Ness Wadia College of Commerce, Pune: An Overview

Dr. Manohar Kacharu Sanap

Associate Professor & Research Guide in Commerce, Ness Wadia College of Commerce, Pune.

Introduction

Ness Wadia College of Commerce established in 1969, is one of the prominent / premier Commerce Colleges in India. The College is affiliated to the Savitribai Phule Pune University, Pune and has around 5000 students including foreign students from about 22 countries on its rolls. The College is managed by the Modern Education Society which was established in 1932. The College offers various grantable and self-finance courses such as B. Com., BBA, BBAIB, BHACA, M.Com, B.Voc. (Banking, Finance and Insurance with Actuarial Studies), Post Graduate Diploma in Banking & Finance, Post Graduate Diploma in International Business and Diploma in Taxation Laws. The College is also a Research Centre approved by the Savitribai Phule Pune University, Pune for M.Phil. and Ph.D. students. The students of the college receive all round development inputs from competent and dedicated faculty members. India Today in its recent Nation-Wide Survey, ranked the College "Topmost" among the City Commerce Colleges and one among the top 25 Commerce Colleges in the Country. Notwithstanding this, the college has been ranked one among the top 10 Business Schools in the Country for the Bachelor of Business Administration Course.

Objectives of the Paper

To explore the students centric innovative best practices of Ness Wadia College of Commerce.

Research Methodology
