---

It gives me immense pleasure that the Placement & Career Guidance cell of Ness Wadia College of Commerce has successfully concluded its placement and Internships for the academic year 2022-23. I feel proud of the entire placement team including the Placement Officer and Placement Coordinators who've worked hard for bridging the gap between students and the companies. This is testimony of the trust of our recruiters in the dynamic, industrious, and ethical students of the institute. The unwavering support of our loyal recruiters and participation of several new companies in our placement process has helped us conclude our placement activities for this year. I congratulate all the wadians for this accomplishment.
